Hopkins Center of Our Lady of  
Light Catholic Community.

### From the Grand Knight:

Brother Knights.

We are now in the meat of our year.  
We have many various events going  
on, and we need help from all  
Knights and families to make this  
year a success. Our Council is very  
involved in the "Run For Life"  
which will take place the weekend of  
Jan 12-13. We have our "Doo Wop  
Daze" dinner dance on Jan 19th at  
OLOL. We will have a live band  
and food of the era. We also have  
coming up our "Handicapped Drive"  
to raise funds for handicapped citi-  
zens. This is one of our most impor-  
tant events of the year, and we need  
help from all brothers and families.  
Dedicate a few hours to make this  
our best event ever.

Our last pancake breakfast caught us  
a bit off guard as it went over very  
well and members had to struggle to

"catch up" to the demand for  
breakfasts. Congratulations to  
those that were there to help out.  
You all did a great job.

On a bad note, last report has  
Patty Stathopoulos not doing well.  
Patty and Jim are major players in  
our organization. Jim has sup-  
ported this group probably more  
than any single Knight in the  
Council, and his wife Patty has  
always been at his side. Brothers,  
Knights, families, please, pray for  
the Stathopoulos family. That is  
probably all we can do, but  
prayers can help in many ways.  
Show your faith, show your be-  
liefs. Help our brother and his  
family through this crisis.

Brothers, we have a lot coming up  
in the next few months. We all  
joined to help out the Catholic  
religion and Our Lady of Light  
Church specifically. We can't do  
that by sitting at home. We all  
need to come out and help at vari-  
ous functions. Help your Council,  
help your Parish, help your faith.  
Come out and join us and be a

"productive member" of the  
Knights of Columbus.

Al Delago

### From the Deputy Grand Knight:

My Brothers,

As mentioned by the grand knight,  
we have a great deal going on! The  
committees are in full swing. We  
are working on another one to put  
together an "open house" with all  
of the groups of the parish taking a  
part. We need you and your exper-  
tise for this very important event,  
coming up in the not too distant  
future. It will be our "blitz" for  
new membership!

Please call or e-mail me to become  
involved with this "great event." it  
will be a lot of fun and fraternity!  
Many of you are missed at our  
planning and business meetings.  
Remember the business meeting is  
the first Thursday of the month at  
7:30 p.m. and the planning meeting  
is the last Thursday of the month,  
also at 7:30 p.m. in the Hopkins  
building.

If you do not take part, you cannot possibly know all that is planned, or have a say in what is being done. We definitely need you! Be a "true knight!"

Bob Bonza

### **From the Field Agent:**

#### **Tax Time Again**

This month, I chose to pass up the opportunity to use the age old cliché about two things we must do.... although the timing should certainly bring it to mind.

This season in most homes, is financial accounting time. I'd like to wager that, at some point in the process someone will ask (probably you) "Where did all our money go?" Surely, all of the money we earn finds a home somewhere.... the grocer, the mortgage, the tax man. Very little, if any, is left over for a personal bank account or other investments. Most of us consider ourselves fortunate if we've managed to pay our bills. Folks usually save what's left-over... and for most folks, that's nothing.

The point is, whatever the amount earned, chances are good that it is spent providing for and rearing a family. Think about that for a minute. The needs of that family continue... food, shelter, clothing... even if the breadwinner suffers an untimely death.

So what does income tax have to do with insurance? Simply this... it can serve as a reminder that protection for dependents should include an estimate of the current needs for money. While it may be convenient to say "I can't afford it," that's probably not accurate... when you consider that your family will be without any income should you die. With this in mind, your Order has designed a plan which guaran-

tees to continue income to your family for as long as they will need it. What's more, this plan will enable you to systematically save some of those dollars so difficult to account for at tax time.

Call me today for an appointment.

I want to hear from you.

John Uzdilla (267-3444)

## How Many Heisman Winners Has Abortion Killed?

The sports world recently greeted the news that this year's Heisman Trophy Winner, Tim Tebow from the University of Florida, was almost a casualty of abortion. Twenty-some years ago he was not the strapping 6'3", 235 lb. beloved sports hero that he is today. At that time he was a one-inch-long unborn child whose existence, because of an amoebic infection, was defined as threat to his mother's health. Pam Tebow, his mother, was told by a doctor that it would be in her best interests to abort this baby, and she refused. Her husband backed her up on that generous decision, and seven months later they gave birth to a perfectly healthy boy. Little did they know that twenty years later they would be standing on a national

stage with a Heisman Trophy winner giving that magnificent witness to life. The world thanks you, Mr. and Mrs. Tebow! There cannot be a more touching Advent story than this.

I wonder if anyone has ever asked how many potential Heisman Trophy winners abortion has actually killed. The answer is, *twelve*. Reflect on that a bit as you read further because there is a larger lesson in the Tebows' witness.

Dr. Brian Clowes, HLI researcher, has examined the data from the 2007 *Statistical Abstract of the United States* (most recent census data) and extrapolated the numbers of the various professions and categories of Americans who have been eliminated in the wake of nearly 49 million legalized abortions, one third of all Americans conceived since 1973. The following numbers are based on the actual government estimates of the professions represented in America. So then, who have we lost to abortion?

- 2 US Presidents
- 7 Supreme Court Justices
- 102 US Senators and 589 Congressmen
- 8,123 Federal, district and local court judges
- 31 Nobel Prize laureates
- 328 Olympic medalists including 123 Gold medalists
- 6,092 professional athletes
- 134,841 physicians and surgeons
- 392,500 registered nurses
- 70,669 priests, ministers, rabbis and imams including
- 6,852 priests and 11,010 nuns (vocations "shortage"?)
- 1,102,443 teachers (K-12)
- 553,821 truck drivers
- 224,518 maids and housekeepers
- 336,939 janitors
- 134,028 farmers and ranchers
- 109,984 police officers and sheriff's deputies
- 39,477 firefighters
- 17,221 barbers, and
- 24,450,000... women (the gender of roughly half of all children aborted

These numbers of course are only the tip of the iceberg. Keep in mind that we get our statistics about abortion from the abortion industry itself which has a vested interest in under-reporting the numbers. Likewise, these categories are only a few of the professions that Americans actually work in and are by no means a full portrayal of the total American workforce. What they represent, however, is the immense *human toll* that abortion takes on a society. Abortion-promoters present abortion as an exclusively private choice, but thirty-five years of abortion exposes the perniciousness of that lie. There is a social toll that comes from abortion which cannot easily be corrected.

For three and a half decades the feminists have reveled in a misleading "freedom to choose," and on the basis of that false "right" have eliminated their children and done immense damage to the family as the basic unit of society. Those who respect these sacred realities, on the other hand, have their wives and husbands to grow old with, their children to enjoy and their grandkids to play with and spoil. The love of life, marriage and family never leaves its adherents penniless, lonely or abandoned, and every now and then God throws in a Heisman Trophy just to show the rest of us that it's all worth it.

Sincerely Yours in Christ,

## Note from the Editor

We are still seeking brothers to switch from U.S. Post Office delivery of the newsletter to email. My request from last month brought zero response. Thank you.....

## **In Case of Death**

At the death of a Brother Knight, notify the Grand Knight or the next in charge, who will then contact the family and offer sympathy and help from the Council. The Council member contacting the family should ask whether a wake will be held and if so, whether the family would like the Council to do a rosary service. If a Mass will be offered the family should be asked if they would like a resolution of condolence to be presented. Any ceremonial presentation requested should be done only with permission of the clergy. If the deceased Brother is a 4th Degree member, the Grand Knight will notify the Insurance Field Agent and the Faithful Navigator of the Assembly.
