### Brother Knights...

Our first Pancake Breakfast, held September 30 after the 8:30 and 10:30 A.M. Masses was a winner. Thanks to all who helped make this event a success. Many compliments were received on the high quality of the pancakes, sausage, and beverages. Gross receipts were \$346.00.

Prior to our last Council meeting, representatives from Challenger Baseball, Special Olympics, and Special Equestrians conferred recognition and accolades to our membership for the help we have provided. One of the Special Olympians was there to give and get hugs!

Please continue to pray for Dave Erickson's father afflicted with ALS and Bruce Carr's mother-in-law suffering from a fracture of her lower spine. If you have a seriously ill family member please let members of the council know so that prayers can be offered for their intention.

We have not heard from several members in regard to their membership status. As you are aware any member who fails to pay his dues to his council within three months after being levied, ipso facto, forfeits his membership in the Order. The process of losing membership involves suspension of the

member and a break in service. Realizing the benefit of unbroken service to a member, Our Lady of Light Council has carried the cost of membership per capita costs assessed by Supreme and State Councils for many members for several years. The costs to the contributing members are approaching \$1000 per year. This is unfair to contributing members and takes away from the benefit our service works can provide to the community we serve.

## Knights for Life News

The K of C Color Corps added a touch of dignity to the Respect Life Sunday

celebration during and after the 10:30 Mass October 2nd. Following a procession after Mass to our memorial garden special prayers of remembrance were offered near the headstone of the unknown unborn child.

October 26 is the deadline for public input to the FDA regarding extending the availability of the "morning-after" pill by changing from prescription only to over-the-counter status to anyone over the age of 16.

The UN Population Fund, one of the world's loudest proponents of abortion, recently failed in their efforts to have their view of "reproductive rights" become part of the Millennium Development Goals when they were rejected by the UN General Assembly. President Bush is to be congratulated once more for withholding US funding for the UN Population Fund.

The Bone Marrow and Cord Blood Therapy and Research Act of 2005 (S.1317) uses stem cells from umbilical cord blood to treat patients. The House has already acted and passed this

important bill. It's time for the Senate to do the same. Contact your Senators and urge them to pass this life saving legislation! Already, thousands of people with 65 different diseases have been successfully treated and cured with adult stem cells. Embryonic stem cell research has led to zero cures for life-threatening diseases such as Parkinson's or Alzheimer's, yet pro-abortion groups ignore this important fact.

At the death of a Brother Knight, notify the Grand Knight or the next in charge, who will then contact the family and offer sympathy and help from the Council. The Council member contacting the family should ask whether a wake will be held and if so, whether the family would like the Council to do a rosary service. If a Mass will be offered the family should be asked if they would like a resolution of condolence to be presented. Any ceremonial presentation requested should be done only with permission of the clergy. If the deceased Brother is a 4th Degree member, the Grand Knight will notify the Insurance Field Agent and the Faithful Navigator of the Assembly.
