Grand Knight's Message

I have to start with an apology, last month I mentioned that Brother Ed

Riley as being the Ed that helped with the Squires investiture. I was wrong, shame on me; Brother Ed Roggemann was the Ed in attendance. Sorry to both Brother Ed's. Brother Roggemann has also offered to act as a Counselor to the Squires along with Brother Dave Nolan. Congratulations and Thank you for your commitment to mentor these young Catholic men.

Speaking of the Squires, Sunday (9/18) our understudies held a carwash after the 8:30 and 10:30 masses to raise money to contribute to Hurricane Katrina relief and be able to open a bank account for Christ's treasure. Their numbers were awesome. Not only did they raise \$589.00 they also had 100% participation.

Talking about participation... as most of you know, we are in the process of suspending brothers for non-payment of dues. We have about 55 names to be dropped from our roster which will save our council approximately \$900.00 dollars a year. All brothers who have received suspension notices still have one last opportunity to come home. If our council has wronged you, I apologize, but realize this, a new generation has accepted to change the way our organization operates. There is a renewed vow to carry out the mission set forth by our forefather. For my brothers who do keep their dues current, you must make a renewed commitment to be the Brother you all have pledged to be. Everyone has a

moral obligation to participate more often in meetings and events. Our council has lost its Fraternalism. Knights of Columbus: Service to One, Service to all.

According to the poorly kept records we have, there are 85 of you who have not advanced past the First degree. In the antechamber where you were inducted, you pledged to follow through to at least full Knighthood in the third degree. We need to rectify this, and we will be contacting those Brothers who need to advance their degrees.

To help in this, everyone is welcome to attend a first-degree ceremony to recall the honor and duties of a Knight of Columbus. First-degree ceremonies are held at St. Leo's the first Tuesday of the month at 7:30 pm.

We have a church to build and a Kingdom to raise. If not the Our Lady Light Knights of Columbus, then who? Prayerfully reflect on what it means to be a Knight.

If you haven't been to a meeting lately, now is the time, at 7:30pm Thursday, October 6th. At Our Lady of Light is the right place.

Let Jesus Live,
Peace

Knights for Life News

Pro-abortion activists are working around the clock to spread the myth that most Americans are "pro-choice." But the truth is—they're lying! Over and

over again, poll after poll shows the majority of Americans are pro-life, especially women!

The pro-abortion lobby is working hard to convince members of Congress and the media that they speak for everyone, but that just isn't true. In a poll conducted over a two-year span surveying men and women's opinions on abortion 30 years after Roe v. Wade, 81% of Americans opposed or thought abortion must have more restrictions than it does now! The truth is, most Americans support commonsense bills that restrict abortion at any time, for

any reason. A recent survey taken by CBS shows that 80% of adults favor parental notification laws, which require abortion providers to inform parents if their minor child wants an abortion. But the most common misconception pro-abortion lobbies are putting out there is that being pro-woman and pro-choice are one in the same. Studies on abortion attitudes of women show that 62% of women are pro-life!
